An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The audit report will be certified by our Associate

ICV CERTIFICATION SUPPORT SERVICES

ICV Certification in UAE

ICV (In-Country Value) Certification in UAE is a formal recognition given to companies that have successfully undergone an ICV Audit and demonstrated their compliance with the ICV Program requirements. To obtain ICV Certification, companies must undergo an ICV Audit by a certified ICV auditor.

As per ADNOC's ICV program, all ADNOC suppliers are mandatory to pronounce their ICV achievement (ICV Certificate). ADNOC needs an annual third-party confirmation of the numbers of the ICV Certificate to be accompanied.

Who issue the ICV Certificate – Ministry of Industry and Advance Technology (MOIAT) has authorized certain professional firms called "certifying bodies" to verify and issue ICV certificate.

We will provide with the needed assistance to complete the ICV audit process

We will guide you in filling the ICV template and help you in getting it by ADNOC Appointed certified body
